PUBLIC COMMENTS:

David Newman Rt 78 Update to the online petition against Dollar General total of 64 signature's. I did a foil request with the Town Clerk on the number of Special Use Permits in the past 5 years which was 28. Of the 28 special use permit's 25 were approved, 2 were denied and 3 are still in progress. After researching the town code, I applaud the Town Board for adding this very powerful piece of legislation into law code 162-4 Rights of town residents to natural environment. I hope Dollar General and other businesses use of a well, don't prevent maintaining sustainable, use, consumption and preservation of water drawn from residents in the area.
