2. S.U.P. application received for Restaurant / Concert Hall / Theater to operate at 12294 Big Tree Rd.

Councilman Gerald Klinck stated the Zoning Board of Appeals approved the parking request with 4 special conditions 1. The house has to stay a single-family dwelling with one parking space left for the resident 2. The business must stay at the 700 sq. ft. of patronage use with 14 parking spaces. 3. The variance is contingent upon the approval of the state or county as far as the 5 parking spaces that are adjunct to 20A Big Tree Road and in that approval from the state they would have to be by a certified letter to the town saying that they were approved. 4. Mr. Childs is going to work with neighbors regarding dumpster and fencing situation.

The Town Board will table this Special use permit, still the applicant meet all the conditions.

4.Resolution in support of restoration of New York State AIM funding to Towns and Villages.

CERTIFIED RESOLUTION

At our monthly meeting of the Wales Town Board in the Town of Wales on December 10, 2019, the following resolution was approved by the Wales Town Board.

WHEREAS AIM Funding is unrestricted aid provided to Municipalities by New York State for the years. and
WHEREAS, the Town of Wales supports legislation (S.6844) introduced by Senator Patrick Gallivan related to the AIM Funding program and to ensure payments are made to dozens of towns and villages in Erie and Nassau Counties,

WHEREAS, as part of the 2019 budget process, traditional AIM funding was replaced by a portion of the State Sales Tax.

WHEREAS, the Office of the State Comptroller indicated the change did not allow sales tax funds to be distributed to municipalities in Counties with Fiscal Control Boards, such as Erie and Nassau.

NOW, THEREFORE, BE IT RESOLVED: The Wales Town Board strongly supports Legislation S.6844 that would restore AIM Funding at 100% moving forward to Erie and Nassau Counties.

FURTHER RESOLVED, the AIM funding benefits all of our residents in Erie & Nassau Counties and the loss of this funding would put an unnecessary burden on the backs of local taxpayers that could result in the reduction of services, program cuts and layoffs.

BE IT FURTHER RESOLVED, that a certified copy of this resolution be forwarded to Honorable Governor Andrew M. Cuomo, Honorable Speaker of the Assembly Carl E. Heastie, Honorable Senate Majority Leader Andrea Stewart-Cousins, Honorable Republican Minority Leader John Flanagan, Honorable Majority Leader of the Assembly Crystal People-Stokes, Honorable Minority Leader of the Assembly Brian Kolb, the Western New York Delegation and Erie County Executive Mark Poloncarz and the Erie County Legislature.

5.Resolution in support of legislation to amend or delay implementation of N.Y.S. bail reform laws.

CERTIFIED RESOLUTION

RESOLUTION – SUPPORT LEGISLATION TO HALT NEW CRIMINAL JUSTICE REFORM (BAIL & DISCOVERY REFORM)

WHEREAS, protecting the people from harm by enforcing the rule of law is the foundational role of government, and

WHEREAS, County governments are vested by the State of New York with the responsibility to protect the most vulnerable among us, including the socioeconomically disadvantaged, the disabled, the elderly, and children; and

WHEREAS, no group is more vulnerable than the victims of crime, and a just society demands that crime victims should be recognized as key participants within the criminal justice system and be treated with dignity, fairness, and respect; and,

WHEREAS, for the past twenty-five years the State of New York has committed itself to reducing crime, and has succeeded as evidenced by official U.S. Department of Justice Uniform Crime Reporting Statistics showing

that New York transformed from the second most dangerous state in America in the early 1990s to the safest large state in America by the early 2000s; and

WHEREAS, in the final stages of adopting its FY 2020 budget, the State of New York enacted sweeping criminal justice reforms including the elimination of cash bail for many specific enumerated crimes and the imposition of stringent discovery mandates on police and prosecutors; and

WHEREAS, under bail reform, beginning January 1, 2020, judges will be stripped of their discretion to set bail for many specific enumerated crimes, which means those suspected of committing these crimes can no longer be held in jail after their arrest, regardless of the strength of the case against these defendants, or the length of the potential sentence faced by these defendants, or the extent of the harm allegedly caused by these defendants, and instead these defendants will be released back into the general public; and

WHEREAS, these crimes include those that result in the deaths of innocent people, including several subcategories of homicide and manslaughter, resulting in those responsible for these deaths being released back into the community of grieving families; and

WHEREAS, these crimes include Making a Terroristic Threat and Money Laundering in Support of Terrorism in the Third and Fourth degree, resulting in those alleged to have supported terrorism in this manner, or who have threatened to commit acts of terrorism, being released immediately from police custody; and

WHEREAS, these crimes include Promoting an Obscene Sexual Performance by a Child; Possessing an Obscene Sexual Performance by a Child; Failure to Register as a Sex Offender; and Patronizing a Person for Prostitution in a School Zone, resulting in suspected child predators being released and returning into our community; and

WHEREAS, these crimes include Aggravated Assault Upon a Person Less than Eleven Years Old; Reckless Assault of a Child by a Daycare Provider; Criminal Sale of a Controlled Substance to a Child; Abandonment of a Child; and Criminal Possession of a Weapon on School Grounds, resulting in those suspected to have physically harmed or endangered children in this manner being free from custody; and

WHEREAS, these crimes include Endangering the Welfare of a Vulnerable Elderly Person or an Incompetent or Physically Disabled Person, resulting in the potential for further endangerment of seniors and these defenseless individuals; and

WHEREAS, these crimes include Aggravated Cruelty to Animals; Torturing Animals and Injuring Animals, resulting in the immediate release of those suspected of deliberately injuring, torturing and killing animals; and

WHEREAS, these crimes include Assault in the Third Degree, Aggravated Vehicular Assault, and other crimes of physical violence against people; and

WHEREAS, these crimes include Burglary of a Residence, resulting in the immediate release of these individuals back into the neighborhoods they are suspected of targeting; and

WHEREAS, these crimes include Bail Jumping and Unlawfully Fleeing a Police Officer in a Motor Vehicle, resulting in release on recognizance of the very individuals who have demonstrated a propensity to evade the law; and

WHEREAS, all of the offenders mentioned heretofore are at risk of not showing up for court, thereby placing a burden on public employees who, under this law, are required to send multiple court appearance reminders to these offenders, as well as police officers and District Attorneys who must commit resources to tracking and pursuing those who evade prosecution; and

WHEREAS, all offenders who are currently being held in custody for non-qualifying crimes including those mentioned heretofore will be eligible for release from custody on January 1, 2020; and

WHEREAS, the discovery mandates imposed by the State of New York will require police and District Attorneys, beginning January 1, 2020, to turn over voluminous trial-related materials to defense attorneys within 15 days, creating a mandate that will inevitably not be achieved in some cases and may result in the inability of the People to properly prosecute cases against criminal defendants; and

WHEREAS, discovery reform will also result in an opportunity for defendants to gain access to crime scenes that may include a victim's residence, thereby giving defendants accused of burglaries, assaults, rapes and other crimes committed in victims' homes the right to return to those same homes; and

WHEREAS, the issues mentioned heretofore will undeniably impact past, present and future victims of crime in a negative manner, and in so doing, the bail and discovery reforms adopted by the State of New York will themselves further victimize these innocent individuals; and

WHEREAS, these bail and discovery laws, in their current form, represent a clear and present danger to society, will tilt the scales of justice in favor of suspected criminals and away from innocent crime victims, and risk reversing decades of bipartisan progress made by the State of New York in reducing crime; and

WHEREAS, the fundamental responsibility of governments to protect the vulnerable in society demands that the shortcomings of these laws be remedied prior to their effective date of January 1, 2020,

BE IT RESOLVED, that the Town Board of the **Town of Wales** hereby supports legislation (S.6853) introduced by Senator Chris Jacobs and implores the State of New York to immediately amend or otherwise delay implementation of these laws by convening an emergency session of the State Legislature, or by emergency executive authority, or by any other means deemed possible by the State, and to do so before December 31, 2019; and

BE IT FURTHER RESOLVED, that the **Wales Town Board** asks all counties in New York State to urge their state representatives to take immediate action on the foregoing issues, and

BE IT FURTHER RESOLVED, that copies of this resolution be provided to Attorney General Letitia James, Governor Andrew Cuomo, Lieutenant Governor Kathy Hochul, Senator Charles Schumer, Senator Kirsten Gillibrand, the New York State Association of Counties, the New York State Sheriffs' Association, the New York State Association of Chiefs of Police, the District Attorneys Association of New York, the New York
