States that the above home bears a New York Seal and enclosed with this application is a copy of the manufacturers printed instructions specifying the location and required capacity for tie-downs and supports for this home design. Also enclosed is a brief statement of our installation details concerning leveling, supports, ground anchors and utility hookups on the above mobile home stand. I, the owner of the mobile home stand, and I, the owner of the mobile home, consent to entry to the person designated for local enforcement to both the mobile home site and to the mobile home for the purpose of inspecting the installation of the mobile home.
