Published by Elizabeth J. Dehr · Paid Partnership

It is no TRICK...but rather a TREAT for ITAC to partner with the EMW Boys' and Girls' Club, Erie County Sheriff's and Explorer Post 505 to bring this opportunity to the October 23rd Trunk or Treat event at the Club. The event runs from 3-5pm- see details below.

Please join the community to celebrate the season and keep our children safe!

Event Announcement!

The Erie County Sheriffs Department along with the Explorer Post 505 will be available @ our Trunk-or-Treat Event at the Club on October 23rd from 3-5pm to provide parents and guardians the opportunity to obtain Operation SAFE CHILD cards for their children FREE of charge.

Operation SAFE CHILD provides parents or legal guardians with a card that includes their child/children's vital information: date of birth, gender, height, weight, eye color, along with a photograph and fingerprint images of both index fingers.

Parents or guardians also can choose to have that vital information stored in a DCJS database; storage in the database is entirely voluntary and requires written consent of the parent or legal guardian.

Special Thanks to the Erie County Sheriffs Department & Explorer Post 505 for offering this important service to families at no charge.
